Re: SEA 562-2019 Required Data Report

As required in IC 20-28-5-22.4 (SEA 562-2019), the Indiana Department of Education is providing the following report that includes information regarding teachers licensed in Indiana.

1. As of September 22, 2021, the total number of teachers who hold a valid license in one (1) or more content areas is **224,385**. This total includes instructional, school services, and administrative license types.
2. For the 2020-21 school year, the total number of teachers who were teaching in at least one (1) content area for which the teacher holds a teaching license is **63,064**.
3. As of September 21, 2021, the total number of teachers who teach under a license or permit issued by the department, completed a teacher preparation program (as defined in IC 20-28-3-1(b)), and have not passed the teacher licensing examinations required to hold a license under IC 20-28-5-12 is **348**.

Interpretive notes and cautions:

1. Individuals holding only a substitute teacher permit are not included in the data above.
2. The total in #1 includes licenses held by persons not currently teaching (retired, moved out-of-state, employed in another field, deceased, etc.) but who still have an active (valid) license.
3. The total in #2 above is based on reporting from LEAs.
